30th September 2011

Dear Member ,

I write this whilst the temperature outside is nearly 27 degrees - talk about an Indian Summer ! Still , better late than never . You should all have received your latest magazine last week so you will be generally up-to-date . So , the purpose of this note is to remind you that OUR NEXT GROUP MEETING IS ON SATURDAY , OCTOBER 29th at 2.00pm at Ardington . I hope you will do your best to come because our Chairman , Peter Miles , is planning to be with us and will give more details of the behind-the-scene activities than can be put in the printed word .

I also want to give the current programme of our Group . We went to Banrail 2011 last weekend and John Elvin , Stuart Wise , John Crockford and I spent the Sunday doing an awful lot of talking about our railway and took £75 in sales to add to our coffers . It was also good to have Mike Whitaker with us for a while . He is setting up a Group in the West Midlands .

After that , we have got the following bookings provisionally accepted :-

November 1st presentation by CW /TG to the Chipping Norton Railway Club . 7.30pm at the Town Hall

January 7th/8th , exhibition at Kidlington Exeter Hall 10am – 4pm

February ? Newbury

April 12th presentation by CW/TG to the Loco Club of GB at St Albans . 7.30pm at the Reformed Church Hall

April 19th presentation by CW/TG to the Lutterworth Railway Society . 7.30pm at the URC , Lutterworth

May 19th exhibition at Witney for the Oxford Railway Club . 10am – 4pm at the Methodist Church

September 12th presentation by CW/TG to the Basingstoke MRC. 8.00pm at the Wote Street Club

Regards to you all - see you on the 29th (!)
